The screenshot shows a web article on the Matador Network. The main headline is "The Best Places To Eat and Drink in Albuquerque Right Now" in white text on a red background. Below the headline, it says "RESTAURANTS & BARS • NEW MEXICO, UNITED STATES". To the right, there is a "Trending Now in Albuquerque" section with a featured article titled "Why the Albuquerque Balloon Festival Needs To Be on Your 2023 Travel List". The main article text begins with "New Mexican cuisine so often focuses on one question: red or green? It all boils down to your chile preference. Or, if you can't decide between the two colors of peppers, there's always the option to combine both and go the 'Christmas' route with your order." The article continues to discuss Albuquerque's food scene and recommends visiting the Indian Pueblo Cultural Center and Indian Pueblo Kitchen. A location address is provided at the bottom: "Where: 2401 12th St NW, Albuquerque, NM 87104".
