Native Americans have inhabited the region known as New Mexico for thousands of years, and their presence is felt throughout the state. This culture is reflected in nearly every aspect of life within Albuquerque — from the city’s art and architecture to its festivals and culinary traditions. From adobe walls to the present day among New Mexico’s 19 Native American pueblos, tribes and nations, ensuring this way of life continues to endure.

Kids will love: Kids can meet artists selling handcrafted works, experience drama performances and lessons, and savor unique contemporary Indigenous meals at the on-site full-service Indian Pueblo Kitchen restaurant.
